Dear Sir/Madam,

RE:REQUESTING FOR AN INTERNSHIP/ATTACHMENT POSITION AT ABSA BANK

I am writing to express my interest in working for ABSA Bank as an intern in the information and communications technology department. I will soon be finishing up my bachelor's degree in computer science at Egerton University and am eager to get some hands-on experience in the field. I believe that ABSA Bank would be the ideal place for me to do that kind of work because of its strong reputation in the industry.

My studies have provided me with a solid foundation in computer science, and I can't wait to put the skills and knowledge I've gained to use on projects that are relevant to the real world. I have a great work ethic, am a quick learner, and have a lot of intrinsic motivation. I am certain that I will be able to contribute to the accomplishments of your group and provide something of value to your organization.

I am excited about the possibility of joining ABSA Bank as an intern, and I would welcome the opportunity to further discuss my qualifications with you in person. Thank you for considering my application. I look forward to hearing from you soon.

Please find my attached resume for your review.

Sincerely,

Salome Githinji.
